

Campus Oil is a leading independent supplier of petroleum products to the Irish market since 1978. Campus distributes through port/storage facilities in Dublin, Drogheda, Dundalk, Cork, Limerick and Galway and through its own sea-fed terminal at New Ross. Campus Service Stations, many with convenience stores, are among the most modern, friendly, efficient and competitive in Ireland. They provide a complete range of fuels, food and ancillary services, while a nationwide network of distributors supply the complete range of home-heating, commercial and agricultural fuels.

Due to the continued growth and development of the company, the following Dublin based position has now arisen:

FINANCIAL CONTROLLER

The Role

Reporting to the Finance Director and managing a team, the role will involve:

- Responsibility for preparation of statutory, financial and management information for all Group divisions
- Ensuring the continued operation and development of effective systems, internal controls and accounting procedures necessary to produce timely and accurate financial information
- Implementation of a new system across the group, incorporating both operational and financial activities
- Ad hoc projects, working closely with the Finance Director

The Requirements

- A first rate qualified accountant with a minimum of 3 years post qualification experience working in a financial reporting capacity with a medium to large sized company
- A strong working knowledge of financial and management reporting requirements and integrated financial systems
- Excellent staff management experience, high energy levels and a commitment to career growth

The role represents an excellent opportunity to develop a career with a progressive and fast moving company. An attractive remuneration package will apply.
