

# Arnotts

THE DEPARTMENT STORE

*Arnotts is Ireland's oldest and leading department store. Since its foundation in 1843 the company has built an outstanding reputation for providing a quality service to generations of Irish people. The company has recently redeveloped and extended its department selling area to over 300,000 square feet, making it Ireland's largest department store and ranking it in the top five in Britain and Ireland.*

*As part of a continued investment and development programme, the company is embarking on a major Retek ERP implementation resulting in three full-time Business Analyst opportunities:*

## ERP IMPLEMENTATION Business Process Analysts

Retail passion. Innovative solutions.

Arnotts will be implementing a state of the art, fully integrated, end-to-end solution in department store retailing covering administrative support, supply chain and a fully integrated warehouse management solution.

The three key analyst roles will be in the functional areas of:

### PURCHASING, PROMOTIONS, PRICING & MERCHANDISE MANAGEMENT INVENTORY MANAGEMENT WAREHOUSE MANAGEMENT

#### **The Requirements**

- Ensure that all business process design decisions and operational procedures are properly and fully documented
- Take full responsibility for end-to-end solutions process design, testing and implementation
- Supervise the respective elements of the project and participate in the change management process
- Ensure that satisfactory measurement and control tools are implemented to ensure that full integration benefits are achieved
- Deliver 'end user' training, documentation and systems support

#### **Ideal Candidates should have**

- A proven track record within the business systems implementation sector
- Functional experience in one of the above disciplines
- Superior people skills and the ability to build strong working relationships with staff at different levels and from different departments
- Retail ERP experience (Retek experience would be advantageous, but not essential)

These are challenging roles which offer exciting long term career prospects.
