

*CRH plc is one of the world's top international building materials groups. CRH has operations in 24 countries, with annual sales of over €11billion and employs approximately 60,000 people at more than 2,000 locations.*

*CRH has traditionally offered many qualified ACA's excellent career opportunities in the areas of Internal Audit and Financial and Management Accounting. Due to continued impressive growth, CRH currently has the following opportunities for qualified ACA's:*

## INTERNAL AUDITORS

### Role

- Working as part of a team, performing multi-scope reviews of operational and financial risk management and control at CRH and its subsidiaries
- Devising practical solutions to issues that arise in the course of this work in addition to co-ordination of the reporting of issues arising, and receipt and adequacy of the responses of management
- Oral and written communication (presentations, formal reporting and documentation) of issues arising during audit work
- Identifying the needs and best methods to improve risk management and internal control across the CRH Group
- Carry out special project work to include Sarbanes-Oxley, corporate governance and internal control reviews

### Requirements

- Qualified ACA trained in a Big 4 or Top 10 Accountancy practice
- Experience auditing large manufacturing corporates and/or multinationals is essential
- Strong financial and analytical skills combined with first rate interpersonal and communication skills are required to interact across all levels
- The role will involve some travel. Knowledge of another European language would be advantageous but is not essential
- Full clean driving licence is essential
