

STRUCTURED PRODUCTS

Our client is the Wealth Management Division of one of Ireland's leading financial institutions. The Division has a well earned reputation for providing innovative structured financial products from Ireland, the UK and mainland Europe, to clients of the bank and to other investment specialists.

Due to continued outstanding growth and expansion, the following position has now arisen:

SENIOR MANAGER

The Role

- Play a leading part in developing structured products with a particular focus on sourcing and structuring property transactions and other investment opportunities.
- Work closely with structured finance specialists internally, external professional advisers, property developers and other specialists.
- Actively contribute to the continued strategic growth of the division. This will include playing an integral part in developing existing client relationships and promoting to other distribution channels.

The Requirements

- A first rate degree qualified professional with a minimum of five years experience in property, corporate finance, venture capital or a related field.
- A proven track record in a deal driven, client focussed environment.
- An ambitious and commercial team player with the interpersonal and technical skills required to succeed in a fast moving and dynamic environment.

This position represents an outstanding opportunity to work with a high profile and progressive organisation. A very attractive remuneration package commensurate with experience will apply.
