

Our client, the Private Banking and Wealth Management arm of a major banking group, has an unparalleled reputation for structuring and delivering high quality investment opportunities to clients of the bank and to other investment specialists.

With a prime focus on value and innovation, products and services covered include property investment opportunities, pensions, investments, tax based opportunities and structured products including capital protected and other product offerings.

MANAGER – PROPERTY INVESTMENTS

The Role

- Lead the growth of the Property Investment business, with a focus on sourcing property opportunities in Ireland, UK and Mainland Europe for syndication and placement with clients of the bank.
- Provide advice and expertise on property investment both internally and externally to clients of the bank.
- As part of Senior Management Team, play an integral part in the ongoing growth and development of Private Banking and Wealth Management.

The Requirements

- Experience working at a high level in Property. This could be gained through Commercial Real Estate, Property Development or Property Lending/Structuring.
- An ability to develop and maintain relationships, combined with the knowledge and experience to structure and close deals.
- Excellent communication skills, proven leadership ability, high energy levels and a commitment to career growth.

This appointment will present an excellent opportunity to work with a high profile and progressive organisation. An attractive remuneration package commensurate with experience will apply.
