

# CORPORATE AND TRUST SERVICES

*Our client is the world's number one provider of corporate and trust services. The group has a well-earned reputation for working with clients to build balanced and innovative financial structures, in an increasingly complex fiscal, legal and financial environment. The Dublin office forms one link in an international chain, which leaves it uniquely placed to offer a seamless global service to an international client base. Due to continued impressive growth of the Dublin office, our client is now seeking to make the following key appointment:*

## MANAGING DIRECTOR

### The Role

The successful candidate will have responsibility for managing the development and direction of the Irish business, with a particular focus on the following:

- Promoting the firm's capabilities to both existing and potential new clients.
- Developing and building a motivated team capable of delivering to the highest professional standards.

### The Requirements

- A minimum of ten years experience working at a senior level in international banking, corporate/trust services or in a tax environment.
- A commercially focused individual with the industry profile and marketing skills necessary to develop a local and international client base.
- A problem solver with a strong technical background and a proven track record in the delivery of innovative solutions to challenging corporate assignments.

This represents an outstanding opportunity to develop and grow a business in a rapidly expanding sector. Remuneration package offered will reflect the significance of the appointment.
