

# DIAGEO

## IRELAND

*Diageo is the name behind many of the world's best loved premium drinks brands, including Smirnoff, Johnnie Walker, Guinness, Baileys J&B, Captain Morgan, Cuervo, and Tanqueray. We employ 24,000 people in 180 markets to deliver profitable, sustainable growth for our shareholders. As a company, we want to be famous for our people, our performance and our brands. This means we must release the potential of every employee, engage consumers' needs and win wherever we compete.*

*Due to our continued impressive growth, a number of exciting opportunities for Tax Professionals have arisen in our Dublin office as follows:*

## SENIOR TAX MANAGER

This will be a senior role within our Global Tax Planning Function. This function comprises 50 members based in UK, Ireland, the Netherlands and the US.

### The Position

Reporting to our Director of Global Tax Planning, the role will involve:

- Full responsibility for all aspects of Irish tax planning and compliance, and the provision of tax support to the Irish businesses (T/O €2 billion).
- Managing and developing the Irish tax team ensuring a high quality, in-house tax resource.
- Working closely and proactively with senior members of the Global Tax Planning Team on a diverse range of international tax planning opportunities.

### The Requirements

- A first rate senior tax professional with at least 7 years relevant PQE gained with a multinational or large tax advisory firm.
- An individual with excellent team building, leadership and interpersonal skills.
- A strong technical background combined with a proven track record of advising on both local and international tax planning.

## INTERNATIONAL TAX MANAGER

This role will be within our Global Business Support Team. This team provides dedicated expert international tax and treasury resource to support Diageo businesses worldwide.

### The Position

- Provide tax and transfer pricing support on a range of strategic projects. Projects include business development (including M&A), Global Supply and brand initiatives.
- Implement, support and manage optimal transfer pricing structures across different operating companies in different geographical locations.
- Project manage and risk manage international tax initiatives.

### The Requirements

- A first rate tax manager with at least 4 years PQE gained with a large tax advisory firm or with a multinational company.
- A commercially focussed problem solver with a proven track record of advising on the tax aspects of cross border transactions.

## TAX EXECUTIVE

This role is in our Group Tax, Transfer Pricing Audit and Compliance Team.

The role will provide an outstanding opportunity for a Big 4 recently qualified accountant / tax professional to gain in-house tax and transfer pricing experience.

---

*These positions represent an outstanding opportunity to develop a career in taxation.*

*Very attractive remuneration packages commensurate with experience apply to all positions.*
