

HEDGE FUNDS

Our client ("The Company") is one of the world's leading global hedge fund administration companies. The Company delivers customised business solutions to over 130 asset management groups with trading operations in all of the world's major financial centres. They are singularly positioned as the pre-eminent global provider of a seamless and integrated service across the front, middle and back office operations.

The Company has a large and well-established operation in Dublin. Due to the continued impressive growth of the Irish operation, the following key position has now arisen:

HEAD OF REGULATORY AND COMPLIANCE

The Role

- Reporting to the Managing Director, take full responsibility for managing the direction and development of the regulatory and compliance function.
- Further develop and grow a team (comprising over ten staff) capable of delivering to the highest professional standards.
- Work as an integral part of the senior management team on all aspects of developing the business, with a particular focus on legal, research and product development.

The Requirements

- A professional accounting or legal qualification and a minimum of five year's relevant post qualification experience leading a regulatory/compliance function.
- A problem solver with a strong technical background and the ability to manage complex issues as they arise.
- Excellent team building, leadership and interpersonal skills required to progress in a fast moving environment.

This is a key appointment for the company and will represent an excellent opportunity for a motivated individual to rapidly progress within a high profile organisation. The remuneration package will be very attractive and will reflect the seniority of the position.
