

*Amentum Capital Limited was set up in Dublin in late 2005 and is a specialist aircraft operating lease company forming part of the HSH Nordbank and DAL groups. Amentum offers flexible and innovative operating lease products to a broad range of commercial and regional airlines and corporate clients worldwide. With a particular focus on product knowledge and technical expertise, the company also provides specialist asset management, remarketing and consultancy services to HSH Nordbank and to third parties.*

*The following exciting position has arisen within the organisation:*

## TECHNICAL MANAGER

### The Position

Reporting to the Senior Vice President of the Technical Department, the role will involve the following:

- Monitoring and managing assets (aircraft and engines) under the responsibility of Amentum Capital.
- Managing the asset monitoring system containing aircraft configuration, maintenance status and the relevant records and documentation.
- Managing aircraft transitions and repossessions.
- Liaising closely with the airline customers and the sales and finance teams of Amentum Capital, HSH Nordbank.
- Contract maintenance and liaising with overhaul shops, service companies and technical representatives.

### The Requirements

- A minimum of 5 years' experience in a similar role within the aviation or leasing sector.
- Experience in relation to aircraft maintenance, overhaul and aircraft technologies.
- Excellent organisational and communication skills.

---

*The position above represents an excellent opportunity for career progression in a fast moving and dynamic environment. Very attractive remuneration package commensurate with experience will apply.*
