

Avoca Capital is a privately owned, ambitious and innovative investment manager, whose senior management team has unparalleled expertise and experience in the structuring and management of some of the best performing funds of their type in Europe.

Performance focused, we offer specialist funds, formed specifically to invest in the debt used to fund European leveraged buyouts. Established in 2002 and currently managing over €5.5bn in assets, Avoca Capital's sophisticated investor base includes blue-chip insurance companies, asset managers, pension funds and private banks.

Due to the ongoing success of the business, we are now seeking to expand our investment team.

INVESTMENT ANALYST OPPORTUNITIES FOR CHARTERED ACCOUNTANTS

We are looking to hire a number of top-class Chartered Accountants to work as Investment Analysts.

The primary responsibilities of the Investment Analysts will be to appraise new business opportunities for Avoca Capital and to monitor existing investee company performance.

The successful candidates will have:

- Trained with a Big 4 accountancy practice
- Strong academic backgrounds
- First-rate analytical and presentation skills
- Excellent organisational skills, including the ability to meet regular and exacting deadlines
- Audit or advisory exposure to companies across different industry sectors

For the right candidates, we offer an unparalleled opportunity to build a career and to play an integral part in the growth of a business at the centre of developments in European Debt Capital Markets.

Remuneration packages will be attractive and commensurate with experience.

Avoca Capital Holdings is regulated by the Financial Regulator.
