

AMENTUM CAPITAL LTD.

Amentum Capital is a full-service global aircraft leasing company offering a broad range of asset management and aviation advisory services to the airline industry and investment community. Amentum Capital is the exclusive remarketing agent for HSH Nordbank group, a major player in the global aviation finance market with an aircraft finance portfolio of over US\$8 billion in 750 aircraft. Amentum Capital is also the investment advisor and asset manager for Global Aviation Fund I, a US\$1.3 billion closed-end fund that invests in modern commercial aviation assets operating worldwide.

The following exciting positions, based in Dublin, have arisen within the organisation:

VICE PRESIDENT TECHNICAL

Reporting to the Senior Vice President Technical, the role will involve the following:

- Aircraft asset management through regular audit inspections and monitoring maintenance events
- Management of aircraft transitions and provision of key recommendations to Senior Management
- Technical assistance to the Marketing and Sales team during aircraft acquisitions and remarketing
- Technical lease drafting and contract negotiations
- Oversight of maintenance facilities and external consultants
- Management of asset monitoring and digital record storage systems
- Liaising with airline customers, investors and internal Amentum departments

The Requirements

- A strong technical background from within the aviation industry, with a minimum of five years' experience working in a similar role within the aircraft leasing sector
- Contract negotiation experience is essential
- Excellent organisational and communication skills
- Experience on both aircraft and engines would be advantageous

TECHNICAL MANAGER

Reporting to the Senior Vice President Technical, the role will involve the following:

- Aircraft asset management through regular audit inspections and monitoring maintenance events
- Oversight of maintenance facilities and external consultants
- Management of asset monitoring and digital record storage systems
- Liaising with airline customers and internal Amentum departments

The Requirements

- Candidates will have a minimum of five years' experience in a technical role within the aviation sector
- Excellent organisational and communication skills
- Experience on both aircraft and engines would be advantageous

The above positions represent excellent opportunities for career progression in a fast moving and dynamic environment. Very attractive remuneration packages, commensurate with experience, will apply. Please note, all applications sent to Amentum Capital directly will be forwarded to FK International for inclusion in the process.
