Due to continued growth and development, the following position has now arisen:

FINANCIAL CONTROLLER STRUCTURED ASSET FINANCE

The Position

Managing a team and working as a key member of the Structured Asset Finance business, the role will involve:

- Preparation of Statutory Accounts in accordance with Irish GAAP and Group reporting in accordance with IFRS.
- Month-end financial reporting in accordance with Group procedures.
- Preparation of annual budgets, quarterly forecasts and the ongoing provision of management information for the Structured Asset Finance business.
- VAT reporting and compliance in a multi-jurisdictional VAT environment.
- Maintenance and monitoring of financial controls in a SOX compliant manner.

Candidate Profile

- Qualified Accountant with a minimum of five years' post qualification experience, preferably in Asset Finance or a related business.
- Strong analytical skills combined with a reporting and control focus.
- Good working knowledge of VAT reporting.
- Self-starter with a problem-solving and customer-focused mindset.
- Experienced in managing and developing staff.

This position offers an outstanding opportunity to develop an interesting and varied career in a European Asset Finance business with a high profile international company. An attractive remuneration package commensurate with experience will apply.
