

AMENTUM CAPITAL LTD.

HSH NORDBANK

DAL GROUP

Amentum Capital Limited was set up in Dublin in late 2005 and is a specialist aircraft operating lease company forming part of the HSH Nordbank and DAL groups. Amentum offers flexible and innovative operating lease products to a broad range of commercial and regional airlines and corporate clients worldwide. With a particular focus on product knowledge and technical expertise, the company also provides specialist asset management, remarketing and consultancy services to HSH Nordbank and to third parties.

Due to continued impressive expansion, the following exciting positions have arisen within the organisation as follows:

TECHNICAL MANAGER

The Position

Reporting to the Vice President of the Technical Department, the role will involve the following:

- Monitoring and managing assets (aircraft and engines) under the responsibility of Amentum Capital.
- Managing the asset monitoring system containing aircraft configuration, maintenance status and the relevant records and documentation.
- Managing aircraft transitions and repossessions.
- Liaising closely with the airline customers and the sales and finance teams of Amentum Capital, HSH Nordbank and DAL.
- Contract maintenance and liaising with overhaul shops, service companies and technical representatives.

The Requirements

- A minimum of 5 years' experience in a similar role within the aviation or leasing sector.
- Experience in relation to aircraft maintenance, overhaul and aircraft technologies.
- Excellent organisational and communication skills.

LEASE ADMINISTRATOR

The Position

Reporting to the Head of Business Administration and liaising closely with airline customers and internal technical and finance staff, the role will involve the following:

- Administration of bespoke asset monitoring and lease administration system.
- Lifecycle management of the portfolio, including initial set-up of clients, booking of contracts and recording payment obligations including rent and maintenance reserves.
- Reviewing lessee compliance and ensuring ongoing compliance requirements are efficiently incorporated into business systems and processes.
- Monitoring adequacy of policies, procedures and controls and recommending enhancements to such processes to ensure maximum efficiency and to improve customer satisfaction.
- Establishing and maintaining strong working relationships with both airline customers and internal stakeholders.

The Requirements

- A minimum of 3 years' experience in a similar role within the aviation or leasing sector.
- A motivated team player with excellent interpersonal and communication skills.

The positions above represent an excellent opportunity for career progression in a fast moving and dynamic environment. Very attractive remuneration packages commensurate with experience will apply.
